Once Ukraine is added to your route, you will be able to send the GDA to Ukraine.

On **Step 3: Customs Operations** by activating or deactivating the corresponding checkbox, select whether you want to send EPD and GDA at the same time, EPD only or GDA only (if you do not want to send EPD or GDA, you can uncheck the corresponding box on the left). To send the GDA, fill in *Expected arrival date (customs office local time)*.

- $\rightarrow~$ Please note that by default the GDA checkbox is active.
- \rightarrow By default, *Expected arrival date (customs office local time)* is equal to the current date + 1 hour.
