

Embassy of Hungary

03/2026/Huemb/KIV

The Embassy of Hungary in the Republic of Moldova presents its compliments to the Ministry of Foreign Affairs of the Republic of Moldova and with reference to the Verbal Note no. 66/2025/Huemb/KIV has the honor to send the additional information, as it follows.

The Ministry of Construction and Transport of Hungary confirms that, in order to protect the population, the environment and the road network, from 1 January 2026, international transit freight traffic may cross the country *only* on a designated road network, the transit road network. The details of the use of the transit road network for international transit freight traffic are regulated by Act I of 1988 on Road Transport and Decree 26/2021. (VI. 28.) of ITM on Road Administration.

The elements of the transit road network and the traffic conditions are available on the National Access Point (NAP) operated by the Hungarian Public Transport Nonprofit Closed Company at the following link: NAP Portal -> Useful links -> Transit routes in Hungary

Direct web access to the transit network map is as follows:

Furthermore, we would like to inform that the rules of road transport in Hungary are regulated by the Joint Decree 1/1975. (II. 5.) of the Ministry of Transport and the Ministry of the Interior, effective from January 1, 2026, the current text of which is available at the following link: <https://njt.hu/jogszabaly/1975-1-20-24.40#CI>

We also indicate that, in view of the new legislative framework, the relevant authorities will carry out extensive and targeted inspections in the coming weeks to facilitate compliance with the regulations, with a view to ensuring a smooth social implementation.

The Embassy of Hungary in the Republic of Moldova asks to forward the information to the relevant authorities.

The Embassy of Hungary avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Republic of Moldova the assurances of its highest consideration.
